

**Niverville Heritage Centre Campus  
Statement Regarding the Covid 19 Virus  
PCH and NCU Manor Visitation changes  
April 27, 2021 #42a**

This statement is being released to our Residents, their families, our Team Members, Board Members, Stakeholders including our Town Council and CAO, SHSS Leadership, and Emergency Services.

As per the new Public Health Order effective April 28 there will be changes to visitation.

**NCU Manor effective April 28, 2021**

Vehicle trips Residents with Designated Caregivers will stop.

Outdoor visits will still continue with social distancing and masks. Maximum of 10 people including residents, outside at one time. Appointments are required.

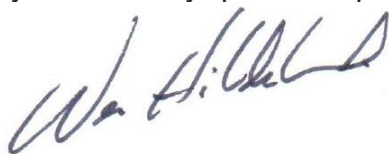

**Heritage Life PCH effective April 28, 2021**

Vehicle trips Residents with Designated Caregivers will stop.

Residents will be able to go for walks with the Designated Caregivers only in our central gardens. Outdoor visits with Non-Designated Caregivers will stop immediately. Visits in the visitation shelter will continue.

As noted before things are changing so very quickly across Canada and within the Province of Manitoba. We will keep you informed as we can on our Website but again ask for patience if these changes happen too quickly or for changes you personally feel we should have implemented already.

If you have any questions please contact the undersigned.
